

BILL CLINTON

Dear Jacob,

My family and I have been blessed to live in this wonderful house for seven years now.

And in no small way, this is due to your loyal and generous support.

I was particularly delighted when noted White House artist, Dan Kessler, graciously agreed to paint the inspiring fireworks display we enjoyed this past Independence Day.

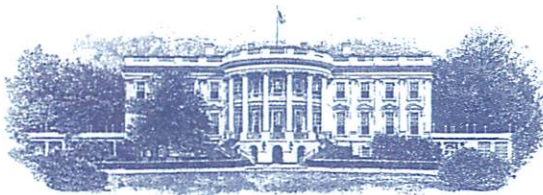

For me, the Fourth of July reminds me of all America has been -- and all we can be -- when citizens like yourself love your country enough to act on the basis of your beliefs and your ideals.

This great love and pride is what makes our nation so very strong.

Hillary and I are truly grateful for your friendship and support. We hope you will enjoy your special print of the White House.

Sincerely,

Bill Clinton
